4H Sewing Meeting – Saturday, April 17
9:00 AM (sharp!) until noon (sharp!)
Leon County Extension Building

This is the last meeting for school year 2009-2010.

The sewing project is construction of a BED POCKET.
Supplies needed are:
One yard cotton fabric
One package extra wide, double fold bias tape
Coordinating Thread
Sewing Supplies

An end-of-year party is planned with PRIZES AND REFRESHMENTS!

PARENTS – Please pick up your child promptly at noon as the ASG leaders have an out-of-town outing planned after 4H. Thank you.

A friendly reminder that the Sew Can You 4-H Club meets this Saturday, March 6, 9am-12noon.
Attached are the directions you need to review & print out before Saturday. In addition to your routine sewing supplies, you must bring the following to the Saturday meeting. This item is crucial to the project and cannot be completed without it!

- One package of bias tape, extra wide, double fold – suggested color is white, cream, light tan, navy, or red

You can also find the instructions on your webpage at: http://leon.ifas.ufl.edu/4-H_Department/clubs/Sewing/index.shtml. (You may need to cut & paste the address into your browser.)

To be sure we have enough volunteers on Saturday, you MUST RSVP by this **Thursday, March 4th.** Just a quick reply to this email or leave me a voicemail at 850/606-5212. (Even though I’m out of the office this week, I will get your message.)

You'll be making a utility apron this month!
Be sure you bring all of your sewing supplies.

- Bring your sewing machine and its instruction book. Be sure you have an empty bobbin for your machine with you.

- If you have paper scissors, please bring them along with your fabric scissors. We are going to be cutting paper as well as cloth and it is best not to use your fabric scissors to cut paper.

- Try your best to be on time. We have to be out of the building by 12 noon. Much as we don't want to do this, we will have to stop you at 11:40 so that we have enough time to clean up before we leave.

- Moms who are bringing snacks—FOR WHICH WE ARE MOST GRATEFUL—please take leftovers home, give them away or throw them out. We need to clear up that area by 12 noon as well.

- Directions for the project are attached in case you want to look at them before coming to the workshop. If you print them out please bring them the workshop with you. We can make copies for you on Saturday morning if we need to, but let's try to save some trees.

See you all on Saturday.
5. 6" seam gauge
6. Pencil and paper for taking notes
7. Bring your sewing machine. Please bring the instruction book for it, too. (We'll accomodate the best we can with our 4-H machines as we only have a limited supply of working machines to provide!)

Good afternoon,

Don't forget, there is a Sew Can You 4-H Club meeting this Saturday, Dec 12 from 9am-12noon at the Leon County Extension Center. See the attached flyer for more information, what to bring & directions on the tote bag you will be making. These flyers are also available on the new Sew Can You 4-H page: http://leon.ifas.ufl.edu/4-H_Department/clubs/Sewing/index.shtml. (You may need to cut & paste the address into your browser.) There's not much on it yet, but I will be adding lessons from previous meetings, useful links, etc. in the upcoming days and months.

RSVP! Please let me know if you plan to attend this meeting. :-)

All members of *Sew Can You*, please fill out this questionnaire and return it as per directions at the top of the page. Please make every effort to return it by August 31. We are working on a great year for sewing and need your input to help us complete our planning.

Thanks,

M. L. Baker
