**Directions for Stuffed Pillow**

Cut two squares of fabric 14-1/2” x 14-1/2”.

Place the squares, right sides together. line them up, and pin the edges.

Sew around the square 1/4” from the edges. leaving a 3” opening in one side.

Trim the corners.

Turn the pillow cover right side out.

Stuff with poly fiber fill.

Close the opening with hand sewing.

**Directions for Envelope Pillow Cover**

Cut the fabric the following sizes:
- 1 square 18” x 18” for the front
- 2 rectangles 18” x 23”

Fold the pillow back flaps in half along the long side of the rectangle and press.

Fold of cloth-press line

Diagram of one of the back rectangles folded in half, wrong sides facing.

Cut edges of cloth

Place the pillow front fabric right side up on your work surface.

Position the back flaps on the pillow front, lining up the outside raw edges on the opposite sides of the front piece. Pin the back pieces to the front piece.

Sew around all edges of the pillow case using 1/4” seam allowance. Sew twice for strength.
