4-H District III Council

__________ (year) Goals

Brainstorming Questions
- What problems did we have last year?
- What were some of the strengths of last year’s council?
- Based on last year’s experiences, what would you like to do/learn this coming year?

Where would you like to see District Council this time next year?

4 Parts to a Measureable Goal
- **Action** – how you plan to do something (a verb such as learn, give, train, etc.)
- **Result**- what do you plan to do
- **Steps**- what do you need to accomplish this result?
- **Timetable**- when are you going to do something (deadline to accomplish the result)
