

Demonstration Garden – Group Assignments / Bed Designations
2007

These groups correspond to the mentor group numbers in the 2006 training class.

1

This is the area just to the left of the main entrance to the building (west side). Includes all the old “A” beds (under the cedar tree, under the red maple tree, and the bed against the building, inside the side walk). Also includes the flagpole and the trees in the grassed area on the west side of the driveway.

2

This is the area just right of the main entrance of the building (west side). Includes the old “B, C, and D” designations. Starts just to the right of the entrance and includes the beds that sweep to the south and curve back around under the cedar tree to the south.

3

This is the bed in back of the building (south side) that has all the trees (the old Bed E designation). It also includes the beds against the building inside the back walkway and that extend on around to the front of the building, under the windows, and up to the front porch. It also includes the Burford holly island at the SE corner of the fenced parking (where the keypad is for entrance to the fenced parking).

4

This is all the area inside the fenced parking lot (the old F, G, H, I designations as well as the unwatered strip against the fence). Also includes the young trees on the south grassed parking area.

5

Includes the new fenced, full-sun garden area on the south side of the driveway, where Bill Dority's roses are in the NE corner).

6

Includes the strip in front of the building (north side, Paul Russell Road side). Includes old designations J and K (the beds along Paul Russell Road) and the trees on the east side (crape myrtles etc.) in the grassed area bordered by Paul Russell Road and Zillah Streets. Also includes the front Burford holly island right outside the fenced parking lot.
