

Volunteer Service Other Than in Office or Demo Garden

Our mission is education. You, the MG'ers, are volunteers in helping us teach specific subjects to the public. We need your help in the office and in the demo garden first. But we also have other areas where we need your volunteer service. Any hours entered on the "Record of Volunteer Hours" form in the log book under the "Other" category must be documented here, with the activity pre-approved by David Marshall or Zulema Wibmer. It is our responsibility to account for the educational value of the project in terms of what was learned by the clientele with whom you worked. Please do not ask to receive credit for service you do that isn't pre-approved here. Thank you for your cooperation.
